Mastered by Rob Fabrie, Artwork by Psyclown.  
Copyright by Stemra.

## MY MIND, MY FOREST

1. My Mind, My Forest
2. Parasite (Bonustrack)

# MY MIND, MY FOREST

As we lay here naked underneath this tree,  
I look at you, you look at me.  
As it rains down on us, the sky turns black.  
There's no way that I'll shoot a bullet true my head.

My mind, my forest.

As I lay here naked next to your lifeless body,  
the blood of our loved ones rains down on me.

My mind, my forest.

# PARASITE

Because I'm a parasite, a parasite, stuck in your head.  
Because I'm a parasite, a parasite, eating your brain.  
Because I'm a parasite, a parasite, you think about me.  
Because I'm a parasite, a parasite, it's driving you insane.

You can feel me closing in, you're suffocating, suffering.  
I will never give in, like a parasite, stuck in your brain.

I'm proud of my accomplishments, no-one will take this away.  
A guy like me doesn't copy a guy like you, in your dreams.  
I was born with a creative dark mind, how does it feel?  
I'm too busy fighting my own demons, so keep yours away.

Because I'm a parasite, a parasite, stuck in your head.  
Because I'm a parasite, a parasite, eating your brain.  
Because I'm a parasite, a parasite, you think about me.  
Because I'm a parasite, a parasite, it's driving you insane.

You can feel me closing in, you're suffocating, suffering.  
I will never give in, like a parasite, stuck in your brain.

I do what I do since 2005, you're going insane.  
There's no way that I'll ever give up, no matter what you say.  
I've worked hard, climbed the ladder in my own way.  
It's time to turn your little loop into a mirror.  
Does this sound familiar? Then this was meant for you!

You can feel me closing in, you're suffocating, suffering.  
I will never give in, like a parasite, stuck in your brain.
