CONSUMED BY HATE

Consumed by hate.
Consumed by hate.
Consumed by hate.
Consumed by hate.

I will kill you.
And adopt your son.
Raise him like he's one of my own.
Tell him you where a piece of scum.
Together we will piss on your grave.
Ass you look true the flames of hell.
Crucified with a burning crown of thorns.
Devoured by your own fucking guilt.

Together we will piss on your grave.
Ass you look true the flames of hell.
Crucified with a burning crown of thorns.
Devoured by your own fucking guilt.

COULROPHOBIA

As the bullet leaves my gun, I'll make you fucking squeal.
I'm gonna watch you bleed and die, it's not a secrecy.
More than 10 years ago, so much misery.
You will pay for this until eternity.

Coulrophobia, hate is taking over.
Coulrophobia, hate is taking over.
Coulrophobia, hate is taking over.
Coulrophobia.

Not so long I had to say goodbye.
I'll miss you and won't forget the good old times.
Hope the piece of shit will get what he deserves.
A sudden accident that destroys his life.

Coulrophobia, hate is taking over.
Coulrophobia, hate is taking over.
Coulrophobia, hate is taking over.
Coulrophobia.
